

Marten Ataalla
Senior Software Architect

Sharepoint
Guru

His communication skills and experience make him one of our best trainers in Microsoft Technologies.

Marten specializes in application deployment (ClickOnce), SQL Reporting Services, application auditing and Sharepoint 2003/2007. He has excellent communication skills and is also responsible for managing internal development and training. He presents in Sydney .Net Usergroups as well as UTS courses, lectures and labs.

You will admire his upfront honesty
