

Tristan Kurniawan
Senior Web Designer

CSS Standards
Evangelist

User eXperience (UX) Pioneer

Trainer, blogger and presenter, Tristan Kurniawan has dedicated himself to web interface development for over 6 years and is a pioneer in User eXperience (UX). Tristan has extensive experience of intranet, extranet, ecommerce content management and general internet applications by merging his concept development and design experience with rich media and CSS design. His commitment to web standards development benefits our clients with consistent and efficient code that is easy to maintain.

Brave enough to use a Mac in a .NET house!
